Electronically Filed

UNITED KINGDOM OF GREAT BRITAIN AND N.I.)

CITY OF LONDON)

VIVEK JAIN, pursuant to the provisions of 28 U.S.C. § 1746, declares and states as follows:

1. I am Vivek Jain, working as a Solicitor and Advocate, at a law firm, Thomas Cooper, Ibex House, 42-47 Minories, London EC3N 1HA, England. The matters set out below are within my own knowledge, except where I indicate to the contrary.
2. In the third week of December 2007, I was asked by another Solicitor employed by Thomas Cooper, Mr. Thomas Moisley, to use my linguistic

skills in Urdu, a spoken language similar to my native language of Hindi, to assist him in a case involving a ship called *AIN OUSSERA*.

3. Mr. Moisley explained that Thomas Cooper acted for the owner of the *AIN OUSSERA*, CNAN Group Spa, in relation to disputes that had arisen following the fixing of the *AIN OUSSERA* for a voyage from Karachi, Pakistan to West Africa for the account of the named voyage charterer, Igen Sea Shipping. The charterer had failed to pay demurrage and other sums due and investigations by Mr. Moisley had revealed that Igen Sea Shipping appeared to have no separate legal existence and that payment of its obligations under the voyage charter relating to freight and port disbursements had been made by Hassan Ali Rice Export Co ('HAREC'). However, one Mr. Aziz Ashiq Ali has deposed in an affidavit dated 11 May 2006 that he is the sole proprietor of Igen Sea Shipping and that there is no connection between that company and HAREC, except that, according to Mr. Ali, Igen Sea Shipping "have acted as a charterer of vessels".
4. I called the office of HAREC in Karachi at 1115 hrs [GMT] on 27th December 2007 at the telephone number + 922-1-241- 2946. I shared greetings with the male receptionist in Urdu. Thereafter, I told the receptionist that I would like to speak with Mr. Aziz Ashiq Ali. The receptionist said in reply that he was not available in the office at that moment. The receptionist exhibited no surprise or puzzlement when I asked to speak with Mr. Aziz Ashiq Ali. To the contrary, the receptionist spoke as if he was used to receiving calls for Mr. Aziz Ashiq Ali.
5. Thereafter, I asked the receptionist for Mr. Aziz Ashiq Ali's mobile telephone number. The receptionist then inquired about the matter in relation to which I was seeking Mr. Ali's mobile number. I replied that it was in relation to a matter pertaining to a shipment of rice.

6. The receptionist suggested to me that I should speak instead to an export manager, Mr. Aziz Azim Ali, as he would be in a position to assist me in such matters.
7. In order to confirm what the receptionist had just said to me, I asked that the call be transferred so I could speak with the export manager, Mr. Aziz Azim Ali. I shared greetings with the export manager and he asked me very politely the reason for my call. I requested to speak to Mr. Aziz Ashiq Ali. He replied that he had gone to the bank and therefore he was not in the office at that moment. At that stage, we shared final greetings and I told him that I would call his office again in order to speak to Mr. Ali. The call, therefore, ended at 1120 hrs [GMT].
8. I telephoned HAREC, in Mr. Moisley's presence again, on 10th January 2008 at 1005 hrs [GMT] on the telephone number + 922-1-241-2946. I again shared greetings with the receptionist in Urdu and I explained to the receptionist that I would like to speak with Mr. Aziz Ashiq Ali. My call was then transferred to an internal number within HAREC and thereafter I again asked to speak with Mr. Aziz Ashiq Ali. I received a reply that he was not in at that time. I asked the gentleman politely whether there was any other way I could speak with Mr. Aziz Ashiq Ali. I was told that Mr. Aziz Ashiq Ali's mobile telephone number was 0300-254-1619 and I could try calling him on that number. However, I did not do so at that time, preferring instead to discuss the situation with Mr. Moisley.
9. I telephoned HAREC's office on 15th January 2008 at 1032 hrs [GMT] on the telephone number + 922-1-241-2946 in Mr. Moisley's presence. I shared greetings with the male receptionist in Urdu and again I asked for Mr. Aziz Ashiq Ali. The receptionist replied that there are a few Mr. Aziz Ali's in their office, asked with whom did I wish to speak in particular and requested me to divulge my details.

10. I politely requested to speak to Mr. Aziz Ashiq Ali and was told that he was not in the office. I was then told that Mr. Aziz Ashiq Ali works in their marketing department and thereafter I requested Mr. Ali's mobile number. The receptionist provided me with the mobile number of Mr. Aziz Ashiq Ali, which was 0300-254-1619.
11. Mr. Moisley and I decided that it was prudent to check whether the mobile telephone number provided on that occasion was the same as the one which was provided on 10th January 2008. We confirmed that it was the same mobile number and therefore Mr. Moisley asked me to call Mr. Aziz Ashiq Ali on his mobile.
12. After some difficulty, the call went through on the number 0300-254-1619 at 1039 hrs on 15th January 2008.
13. I shared greetings with Mr. Ali in Urdu and asked if I was indeed speaking with Mr. Aziz Ashiq Ali. He confirmed that he was indeed Mr. Aziz Ashiq Ali. I politely asked whether he was working for HAREC. Mr. Aziz Ashiq Ali clearly and quickly confirmed that he was indeed working for HAREC.
14. I told him that my call was in relation to a matter associated with a shipment of rice, and then he said that he was in the department which dealt with "*stones*" in HAREC and he ended the call. I was slightly puzzled by his reference to '*stones*' but Mr. Aziz Ashiq Ali did indeed confirm that he worked for HAREC, when making that comment. My impression at the time was that, when I mentioned the rice shipment, Mr. Aziz Ashiq Ali wanted to end the conversation.
15. On 1st July 2008 Mr Moisley explained to me that he wanted to try to contact Ocean World (Pvt.) Ltd. and Igen Sea Shipping. We discussed

the questions to be asked during the telephone call and then I telephoned both of them.

16. I contacted the office of Ocean World (Pvt.) Ltd on telephone number +92-21-587-3148 at 11.45 hrs BST on the same day. ("BST" simply means "British Summer Time.") Mr. Moisley was present during those telephone calls. I shared greetings with the receptionist in Urdu and I then asked the receptionist about Igen Sea Shipping. The receptionist transferred the call to another person within the organisation. This person asked me the reasons as to why I was seeking to contact Igen Sea Shipping. I told him that I needed to contact Igen Sea Shipping in relation to a pending matter involving a shipment of rice.
17. The gentleman at Ocean World (Pvt.) Ltd. provided me with the telephone number of Igen Sea Shipping and the telephone number was 241-2871.
18. Thereafter, at 11.48 I called the telephone number provided by Ocean World (Pvt.) Ltd. I shared greetings with a male voice on the telephone number +92-21- 241-2871. I told this man that I wished to speak to someone in relation to Igen Sea Shipping. He exhibited no verbal reaction or surprise when I requested to speak to him in relation to Igen Sea Shipping. The gentleman asked me to state the reason why I was seeking to speak to Igen Sea Shipping. I told him that I wished to speak to some one from Igen Sea Shipping and in particular Mr. Aziz Ashiq Ali in relation to a matter pertaining to a shipment of rice.
19. I noticed that there was a sudden change in the gentleman's tone and he replied back that the telephone number on which I was speaking was in fact a residential telephone number of Mr. Ahmed Ali. I put to him as to why a few moments previously he kept on asking me questions and was

willing to discuss about Igen Sea Shipping and also why suddenly was now asserting that he was speaking from a residential telephone number. At this point, I noticed that he was provoked and I noticed a sudden change in tone. I ended the telephone call after saying politely 'good-bye' in Urdu.

20. I later performed a web search to investigate about the telephone number +92-21- 241-2871 and whether it was indeed a residential telephone number in Karachi. On doing a Google search as '*2412871 and Karachi*', I found a link on the web to a Pakistani Consulate, which had mentioned this telephone number in a directory in front of "Hassan Ali Rice Export Company" under the heading of "Rice Exporters from Pakistan". The print out from the website link, [www.pakistanembassy.org.yu/important.php] is attached to this witness statement as Exhibit 1. I also searched Jamal's Yellow Pages [www.jamals.com], an on-line business telephone directory for Pakistan, and again found the number +92-21-241-2871 listed as a number for HAREC; see Exhibit 2.

DECLARATION PURSUANT TO 28 U.S.C. § 1746

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct and has been executed on this, the 9th day of July, 2008.
